

KPWA

Korean Professional Women's Association

FILLING THE GAP

OFFICIAL LAUNCH MAY 2015

SPONSORSHIP OPPORTUNITIES

The launch of KPWA has been a year in the making. The past 12 months have been spent with careful preparation and planning in order to achieve our vision: **to be the premier leadership organization that connects, engages, develops and celebrates women and men in all professions and industries.** Through mentorship and leadership programs, civic engagement and networking opportunities, we will take a proactive role in advancing and empowering our members in their professional landscape.

KPWA offers sponsorship opportunities through our **Development Fund.** Your contribution would have a tremendous impact in developing our organization as we fund various projects, as well as plan for future expansion. In addition, your support would help us to reach our objectives as we engage an audience of young professionals in order to foster an environment of learning and inspiration – and provoke conversations that matter.

Thank you for your consideration and we look forward to hearing from you.

WHO WE ARE

The Korean Professional Women's Association (KPWA) is a federally incorporated non-profit organization founded in 2014.
